OFFICE CLOSED TO ALL FOOT TRAFFIC UNTIL FURTHER NOTICE

We have monitored the COVID -19 progress for the past couple of weeks and have, after consultation with State officials and our Public Safety Personnel, taken the decision to close all offices to pedestrian foot traffic. The recommendation comes from Maine CDC and the goal is to “flatten the curve” and the spread of the disease. We realize that this is an inconvenience to many but the health of our staff and residents is most important. We also realize that many of the functions offered here can be accomplished by phone or by internet. We can schedule appointments if necessary. See below for contact information.
