

# **Searsport Shellfish Committee Meeting**

## **February 9, 2023 5PM**

1. Finish up the yearend report for the State. Decide license count for '23
2. Plan spring seeding project with Hannah. Need to decide how many plots and where to place each along with how we want to best engage the student volunteers that day
3. Review our shellfish ordinance and procedures.
4. Brief discussion on fishery collapse article linked below
5. Update signage wording
6. Other
