

# RECYCLING GUIDELINES

Effective Date June 1, 2023

As a part of our continuing effort to improve the operation of the Transfer Station, to keep compliant with the DEP's requirements, and to shift more of the cost of solid waste disposal from the general taxpayer to those who actually produce the waste, the Searsport Select Board has adopted the following fee schedule for the disposal of household waste. Payment for solid waste may be made with a check or trash stickers at the Transfer Station. These stickers may be purchased at the Town Office or at Tozier's Market on Main Street at the cost of \$2.00 each. 30-gallon (or less) bags require 1 sticker or \$2.00 each. Bags larger than 30 gallons require 2 stickers or are \$4.00 each.
